Philippines (UTC+8) · Remote

PROFILE

Detail-driven assistant with 5+ years of legal and business translation, 2+ years managing localization projects for global clients, and current operations leadership at a digital agency. I support busy professionals with calendar and inbox management, client onboarding, meeting documentation, research and lead generation. Native Filipino speaker with professional English.

EXPERIENCE

Co-founder & Chief of Administration Officer

2026 – Present

Mary Digi Solutions · Digital agency, remote

- Run client onboarding, documentation and internal operations for the agency's five-person leadership team.
- Built the agency's operations system: connected workbooks for finance, HR, sales, operations and admin, with an executive dashboard and an SOP library.
- Delivered 2,000+ verified leads in one month for a US CPA firm client across New York, New Jersey and Florida, with duplicate checks against a master workbook.
- Automated the lead pipeline with Google Apps Script, formatting each lead in Google Sheets for one-step upload to GoHighLevel.
- Coordinate with marketing on campaigns and client communication.

Filipino Prompt Writer & Translator, AI Training

Sep 2026 – Present

RWS · Contract

- Write original Filipino prompts and translate prompts used to train AI language models.
- Review output for accuracy, natural phrasing and cultural fit, following detailed client guidelines.

Localization Project Manager

2023 – 2026

Balarila Philippines · Translation agency

- Managed localization projects for global clients from intake to delivery, across multiple content types.
- Led a team of linguists on a GenAI translation project: task assignment, deadlines, quality checks and cross-team communication.
- Built project plans, allocated resources, tracked budgets, and flagged and mitigated risks before they affected delivery.
- Kept work aligned with client expectations, project guidelines and quality standards.

Freelance English ⇄ Filipino Translator

2019 – Present

Independent · Project-based

- Translate, proofread and review legal and court documents, software and UI text, marketing, gaming and AI language content.
- Maintain terminology, brand voice, confidentiality and deadlines across concurrent projects.

Selected work: US election materials (ballot measures, candidate statements, legal analyses) · Meta, Temu, Huawei (marketing) · UKG (software) · Netflix films and Nas Daily (subtitling) · *Until Then* (game localization)

Client Acquisition Specialist

2023 – Present

Freelance · Localization and translation services

- Research and qualify leads, run email outreach, and negotiate terms with new clients.
- Write tailored proposals with project managers and linguists, and keep an organized pipeline of follow-ups and conversions.

Finance Officer

2021 – 2023

Mac's Bountiful Integrated Farm · Oriental Mindoro

- Managed daily finances: cash flow monitoring, payroll for farm workers, and inventory of inputs and outputs.
- Handled budgeting, expense reporting and financial record-keeping.

Academic Home-based Tutor

2019 – 2021

Oriental Mindoro

- Tutored students one-on-one and in small groups in Math, English, Science and Filipino, with custom lesson plans and progress reports for parents.
